**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in an area that only has one internet provider that offers anything close to what I need. We need more options. I live in Belmont CA. The provider we have access to is slow and expensive. The other option and there is only one has internet that is less than 1mgb down.

I need access to high speed internet because I do large scale 3d renderings and have to send them to clients.
